Intersection project complete at CO 172 and CR 318 south of Ignacio

LA PLATA COUNTY — The Colorado Department of Transportation, in cooperation with Oldcastle SW Group, completed improvements at the intersection of CO Highway 172 and County Road 318 just south of Ignacio. The project began in September of 2021. After a two-month winter shutdown, work resumed at the end of March and was completed on June 9, 2022. The project consisted of roadway widening, median construction, lighting installation, and pavement markings. The project added a left turn lane, northbound, on CO 172 for vehicles turning onto CR 318. This project greatly enhanced the safety and functionality of this intersection.

Project Information

For additional information about this project:

- Call the project information line at 970-718-5094
- Email the project team at: co172intersection@gmail.com
- Visit the project website at: www.codot.gov/projects/co172-cr318-intersection

Travelers are urged to “know before you go.” Gather information about weather forecasts and anticipated travel impacts and current road conditions prior to hitting the road. CDOT resources include:
